

Astrophysics and Creation

Arnold Benz

Contents

Prologue

Part 1: Amazing Formation

1. The Stuff We Are Made Of
 - 1.1 Clouds in Space
 - 1.2 Earlier Ideas About the Formation of Stars
 - 1.3 A Ramble in Our Cosmic Environment
 - 1.4 The Rationality of Nature
2. When Stars and Planets Form
 - 2.1 Accretion Discs
 - 2.2 Why Do Planets Orbit?
 - 2.3 From Accretion Disc to Protostar
 - 2.4 Planets Form
 - 2.5 From Protostar to Star
 - 2.6 Unfathomable Puzzles
3. Boundless?
 - 3.1 The First Stars
 - 3.2 The Big Bang: Our Horizon in Time
 - 3.3 Black Holes: Horizons in Space
 - 3.4 Silence of the Stars: Limits of Methodology
4. Origin and Creation
 - 4.1 Physico-Theology
 - 4.2 Why Speak of Creation?
 - 4.3 The Parable of the Invisible Gardener

Part 2: Dissolution and Horror

5. The Development Continues
 - 5.1 The Young Sun
 - 5.2 Design or No Design?
 - 5.3 The Decay of the Sun
 - 5.4 Becoming and Decaying
6. Living in the Midst of Evolution
 - 6.1 The Young Earth
 - 6.2 Earth Is Still Growing
 - 6.3 Evolution of the Atmosphere
 - 6.4 Life Is a Risk
7. Reality in the Cosmos and in Life

- 7.1 Levels of Reality
- 7.2 Religious Perceptions
- 7.3 Participatory Perceptions
- 7.4 The Depth of Reality

8. From Perception to Interpretation

- 8.1 Explaining and Modeling
- 8.2 Comprehending
- 8.3 Construing
- 8.4 Many Possible Interpretations

Part 3: Interpreting the Universe as a Creation

9. What Does Creation Mean?

- 9.1 The Creative Principle
- 9.2 The Formation of Life in the Universe
- 9.3 Anyone Else out There?
- 9.4 Ethical Reflections
- 9.5 Hope in Spite of Decay

10. God in the Universe

- 10.1 Biblical Creation Stories
- 10.2 Cosmic Icons
- 10.3 Creation Today

11. Longing for Meaning

- 11.1 Big Bang or Creation: What is the Question?
- 11.2 A Theory of Everything
- 11.3 Is the Universe a Unity?
- 11.4 Spooky Action at a Distance
- 11.5 Is Mankind the Goal?
- 11.6 The Question of Meaning

12. Space and Time – Surprised by Creation

- 12.1 The Frightening Size of the Universe
- 12.2 Empirical Dimension of Time
- 12.3 The Origin of Time
- 12.4 Outlook

Epilogue
